

Article Level Searching in SwetsWise

The screenshot shows the SwetsWise website interface. At the top, there is a navigation bar with 'Home', 'Content Search', and 'Account' links. A red circle with the number '1' highlights the 'Content Search' link. Below the navigation bar, there is a search area with 'basic search' and 'advanced search' tabs. The 'advanced search' tab is selected. A red circle with the number '2' highlights the 'search for' input field. The search form includes fields for 'search for', 'within' (dropdown menu), 'AND' (dropdown menu), 'show' (dropdown menu), 'subject category' (dropdown menu), 'sub category' (dropdown menu), 'years' (dropdown menu), 'sort on' (dropdown menu), and 'max hits' (dropdown menu). There are also buttons for 'search', 'store criteria as default', and 'retrieve default criteria'. Below the search form, there is a section for 'previous search results' with a table of queries and hits.

query	hits
nature within all fields, years: all, showing: all subscriptions, language: EN, categories: all, all, sort on: relevance, max hits: 100	53970 modify delete
nature within all fields, years: all, showing: all subscriptions, language: EN, categories: all, all, sort on: relevance, max hits: 100	53970 modify delete

1 Content Search

Click on the “article search” link in the “content search” navigation menu to access either the basic or advanced article search page in SwetsWise Online Content.

Quick Reference Card

SWETSwise

Title Bank

End User

SwetsWise Title Bank provides you with a single access point showing resources provided by your Library or Information Centre. From the clear, alphabetical listings you will be able to see publications available to you along with the format they are in, whether this is print or online, and where are available from.

Login to SwetsWise Title Bank:
www.swetswise.com

You will receive an email containing your user ID and password from your administrator. If needed, an ‘I forgot my password’ option is available from the login screen – entering your user ID will enable a new password to be emailed to you.

Subject Browsing and Result Page

1 Browse by Subject Listing

Browse all your organization's resources by subject listing and/or sub-category.

2 Access Level Details

See at a glance the level of access your organization has available for each publication.

Database Search and Results Page

1 Search databases

Search for journals across all databases currently subscribed to by your organization.

2 Access level details

See at a glance the level of access your organization has available for each Publication.

3 Database description

Administrators may provide you with a description for each database.

4 Additional Options

From here you can also go to the database's homepage by clicking the "go to database" button or see the list of publications included by clicking the "list of publications in database" button.

Publication Listing and Search Page

1 Search for Publications

Enter keywords to begin your search across all resources your administrator has made available.

2. Access level details

See at a glance the level of access your organization has available for you for each publication.

3 Search Limiters

Use the drop down menus to select your search type ("beginning with", "containing", "exact search" or "ISSN") and in which type of publications you want to search for ("all", "full text", "abstract", "TOC" or "print").

Hint: use * to replace an unlimited amount of characters in a "containing" search. For example medic* will search for medicine, medical, etc.

Publication details screen for bibliographic and access information

1 Publication Details

Your chosen publication's bibliographic details.

2 Access Links

Links to full text content are provided where available along with details of any print copy available to you.

Also check here for any further information your account administrator has provided for you.
